

Last Minute Checklist PQRS EHR Direct Data Submission

| Recommended Steps | | ✓ |
|-------------------|---|--------------------------|
| 1 | <p>Register for an Enterprise Identity Management (EIDM) account (http://bit.ly/1MXFe9h) and request the necessary EIDM role/s</p> <p>1 Eligible Professional: Individual Practitioner (http://bit.ly/1METe8O)</p> <p>OR</p> <p>2+ Eligible Professionals: Security Official (http://bit.ly/1METe8O) PQRS Submitter (http://bit.ly/1SIZr7d)</p> | <input type="checkbox"/> |
| 2 | Ensure EHR system has the most recent patches and/or version updates | <input type="checkbox"/> |
| 3 | Run Clinical Quality Measure (CQM) reports to determine the 9 measures across 3 National Quality Strategy (NQS) domains with greatest performance compared to benchmark data | <input type="checkbox"/> |
| 4 | Verify measures selected are the ones that most accurately reflect care rendered | <input type="checkbox"/> |
| 5 | Run the CQM Quality Reporting Document Archive (QRDA) report creator to create the QRDA files for submission | <input type="checkbox"/> |
| 6 | <p>Test CQM QRDA files with the Submission Engine Validation Tool (SEVT) tool (http://bit.ly/1NFO9g4) located within the PQRS reporting portal once logged in here (http://bit.ly/VH8jm4):</p>  | <input type="checkbox"/> |
| 7 | <p>Submit QRDA files that passed validation testing through the Physician Quality Reporting System (PQRS) reporting portal: DEADLINE IS FEB. 29, 2016</p>  | <input type="checkbox"/> |
| 8 | Email confirmation confirms the successful submission of QRDA files, but doesn't indicate successful participation in PQRS – this will take place during CMS data analysis and final results will be indicated on feedback reports distributed in the all. | <input type="checkbox"/> |

*In the event that the Step 6 Test Data Submission or email confirmation indicates file errors, document error information and report to your EHR Vendor ASAP.
