

Transforming Clinical Practice Initiative (TCPI) Practice Transformation Network (PTN) Contacts

***TCPI Goals:** Support more than 140,000 clinicians in their practice transformation work; improve health outcomes for millions of Medicare, Medicaid and Children's Health Insurance Program (CHIP) beneficiaries and other patients; reduce unnecessary hospitalizations for five million patients; generate \$1 to \$4 billion in savings to the Federal government and commercial payors; sustain efficient care delivery by reducing unnecessary testing and procedures; build the evidence base on practice transformation so that effective solutions can be scaled.*
